

“GUESS WHO’S COMING TO DINNER”

a supper club for adults

Is back for Spring...don't miss out!!!

Are you interested in getting to know some of the people you see on Sunday but, frankly, know little about? Do you enjoy laughter? How about good food? New friends? Here is your chance!

What is a Supper Club? A supper club is a group of three couples/singles who make it a priority to meet three times in a three month period---once in each home---to share a meal and get to know each other.

How does it work? Decide on a date that is mutually convenient and who will host first. The host will provide the main course and assign the other people in the group to bring a salad/side dish or dessert. The host also invites another couple (or single!) to be guests for the evening...it is often fun to keep the guest's identity a surprise... thus a “Guess Who’s Coming to Dinner” Supper Club! The host also plans the evening...whether it be sitting around the table talking, playing board games, or taking a stroll around the neighborhood.

What if I would like to participate but my home is too small? Have a buffet, a picnic, etc.

What if I was absent the day God passed out Martha Stewart genes? Order pizza, get fixings for subs at the deli, or cook burgers on the grill. This is definitely not a cooking contest.

What if my home won't be “fixed up” until the year 2075? Don't wait! I have found that as soon as the house is all fixed up it is time to start over again anyway! In the meantime, you are missing out on a great time!

How do I sign up? Contact the Supper Club coordinator Charlene Manseau at (978) 388-9067, charlman@comcast.net, or sign up at the info booth. Sign up deadline is Sunday, March 2nd. You will be notified within a few days of who is in your group so the fun can begin! *Please be sure, when leaving a message, to include your name, phone # and e-mail address.*
